THE BROWNVILLE "CLIPPERS" AGAIN VICTORIOUS.

The Rockport "Silver Stars" Hand in Their Checks.

Our Boys Have to Play the old "Athletes," and get Away with their Baggage Handsomely.

The "Clipper" Base Ball club Brownville last Saturday went over to Phelps and played the "Athletes" enteresting game, the "Athletes" being an old and well drilled club, but the Clippers as usual come out victorious, the score standing 21 to 26. The most ridiculous part of the matter was in the "Athletes," when they met the "Clippers," claiming to be the "Silver Stars," of Rockport, which club had refused to contend for the ball and bat with the "Clippers," after they had agreed to do so, and had sent word to the Clippers to that effect. The Clipper boys having had the pleasure of seeing the "Bilver Stars" on two or three occasions, and not be lug a lot of galoots by any means, they very decidedly gave the old "Athletes" to understand that their claiming to be the "Stars" was entirely too gauzey-that they couldn't play that, but, as the "Stars" had 'flunked out," they would play the 'Athletes" as another and distinct they should "gamble" for it. club, and that if they would shed their linen they would proceed immediately to go through Rockport again, in and everything was harmonious and the best of feeling prevailed. That is the way all kinds of sport should b carried on. BALANCING THE BOOKS.

Novel Way of Settling Accounts.

Rather a singular way of making a settlement and balancing books, was resorted to by a couple of neighbors on the bottom just above town, the other day. It was about as follows:
